Neaten the raw edges of the fabric with zigzag stitch. Embroider the motif centrally onto the fabric. Gently press the em-broidered motif from the wrong side. Finally, frame the picture (see Tip).

TIP FRAMING PICTURES
Stretch the embroidered fabric cen-trally over the backing card of the pic-ture frame and secure at the back with masking tape. If desired, put a layer of wadding underneath first. Finally, place the picture in the frame from the back and secure with brads or as required for your frame.
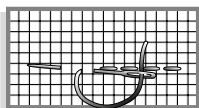

CROSS STITCH
Cross stitch is worked in two stages – first work the lower stitch (from left to right) and then work the upper stitch (from right to left).
