GENERAL RECOMMENDATIONS FOR THE PROJECTS

Fabric: We recommend an evenweave fabric for Cross Stitch, combined with a tapestry needle of corresponding size. For Freestyle embroidery either a very fine evenweave fabric or closely woven fabric for use with an embroidery/ crewel needle. Obviously needle sizes will depend on fabric.

EMBROIDERY TIPS & TRICKS

Tip: Always work Cross Stitch with a tapestry needle. Always work Cross Stitch first, then Back Stitch and Straight Stitch. Each square on the chart represents one Cross Stitch. The lines/strokes represent Back Stitches.
