INSTRUCTIONS

Front

Note: For striping effect shown, work with 2 balls throughout Front panel. Begin using each ball at different points in color gradation to ensure contrasting shades. In most cases, this is achieved by working from the exterior of first ball and from interior of second. If necessary to ensure color contrast, remove a single color from exterior of one ball then set this yarn aside to be used for seaming or back panels. Alternate between these two balls every 2 rows.
