INSTRUCTIONS

The instructions are written for smallest size. If changes are necessary for larger sizes the instructions will be written thus (.). Numbers for each size are shown in the same color throughout the pattern. When only one number is given in black, it applies to all sizes.

NOTES:

- To begin working with the O'Go format, carefully cut plastic tie where the ends of the O'Go meet.
- Pull tie to remove.
- For this pattern, colors can be easily separated by gently pulling apart and cutting at the color transition. Each color is ready to use. Follow color guide shown in Materials section for each O'Go (Contrast A and B).
- Ch 2 at beg of row **does not** count as st.
- When changing colors, **do not** break yarn. Carry yarn not in use loosely up side of work.

- To change color, work to last loops on hook and draw new color through last loops, then proceed in new color.
- Garment is worked side to side.
