## BODY

Using **3.25mm needles and Colour G, cast on 9 stitches:**

Rows 1-2: stst

Row 3: kfb each st (18sts)

Row 4: purl

Row 5: (kfb, k1) to end (27sts)

Rows 6-13: stst starting with a purl row

Row 14 (decrease row): (p2tog, p1) to end (18sts)

Rows 15-21: stst

Row 22: (p2, p2tog, p2) to end (15sts)

Row 23: k1, (k2tog) to end (8sts)

Break yarn leaving a 10 inch tail. Thread through last 8 sts on needle and pull tight and secure.

## SCARF

Using **3.25mm needles and Colour A, C, D or E, cast on 3 stitches:**

Work in garter stitch until scarf measures approximately 14cm (5

½ inches). Cast off. Weave in loose ends.

## To make up

Using mattress stitch, sew seam of body using the long tail, ensuring the last 8 sts remain tightly secured. When you reach the cast on sts at the base of the body, stuff firmly with toy stuffing.

Work a gathering stitch through every stitch in the base, pull tight and secure. Weave in end.

Work a gathering stitch through each stitch of row 14 (the decrease row), pull to form head shape, secure and weave in end.

### **Nose**

Using Colour B make a double knot in the middle of a length of yarn. Sew in both ends of the yarn around the stitch at the opposite side to the seam, 3 rows up from central gathered stitches. Pull

ends of yarn through body and cut.

### **Eyes**

Using Colour F make a double knot in the middle of two lengths of yarn. Sew in both ends 2sts across and one row up from the nose. Do the same on the other side of the face.

### **Arms**

Using black thread embroider the arms from the decreased row. Start just a little further back than

the centre and embroider as desired.

Attach scarf using a simple knot, either at the front or to the side.

You can create a hanging loop by crocheting a chain of 40sts and attaching it to the top of the head. Or you can make lots of snowmen and display them in a bowl or as table decorations.
