FRINGE

Using **Lead** cut 40 strands approx. 35cm in length. Take two lengths and fold in half, creating a loop.

Using a crochet hook, pull the loop part way through the corner stitch of the end of the scarf.

From the front, insert the hook through the loop and pull the four strands through all the way through the loop. Pull tight. Work 10 tassels evenly across every

other stitch of each end of scarf. Trim so all tassels are same length.

Weave in loose ends.
