Cutting

From each of the fabrics 1 to 16 you need to cut

9 x $3\frac{1}{4}$ " x $3\frac{1}{4}$ " (for half square triangles)

18 x $2\frac{3}{4}$ " x $2\frac{3}{4}$ "

From fabric 17 cut

36 x $3\frac{1}{4}$ " x $3\frac{1}{4}$ " (for half square triangles)

From fabric 18 cut

49 x $1\frac{3}{4}$ x $1\frac{3}{4}$ " (for sashing)

From fabric 19 cut

84 x $1\frac{3}{4}$ " x $9\frac{1}{2}$ " (sashing)

Making up the block

Each block is made up in the same way.

block 1

block 2

block 3

block 4

Take your squares of $3\frac{1}{4}$ " x $3\frac{1}{4}$ " you need to draw a diagonal line on the back of your fabrics 1 to 16.

Next take fabric 17 and place this onto one of the fabric squares 1 to 16 with right sides together. Stitch a $\frac{1}{4}$ " seam each side of the line. Cut on the pencil line and trim back to a $2\frac{3}{4}$ " x $2\frac{3}{4}$ " square. Lay out all the pieces for each block.

Block lay out diagram

Stitch the two squares together and then sew your two strips to make a square. Do this to all four and then stitch to top two squares together and then the bottom squares. Next join them together to make a block.

In total you will have 9 blocks from each colour way, and 36 in total.

Complete the quilt

Lay out the sashing strips, squares and blocks as in the main diagram.

Stitch the rows, pressing the seams in the opposite way each time. This will help when sewing the blocks and sashing together.

Part of quilt 1

Part of quilt 2

Keep sewing the rows together until your quilt top is complete.

Quilting

Sandwich quilt top, wadding and backing together. Quilt by hand or machine as desired. Trim the backing and wadding to the size of the quilt top.

Binding

Use your favourite method from fabric 18 to bind the quilt.
