Wadding and backing 47" x 55"

Steam-a-seam - 1 $\frac{1}{2}$ yd 1 $\frac{1}{2}$ mtr

Use $\frac{1}{4}$ " seam allowance throughout. Press all seams open unless otherwise noted

Circle template: made from half of a 4" circle, adding a $\frac{1}{4}$ " seam onto the straight edge of the half circle.

Draw this onto paper and trace the template onto the steam-a-seam. You will need 100 in total

CUTTING

- 1.** From fabric 1 cut:
25 x $6\frac{7}{8}$ " x $6\frac{7}{8}$ " cut in half diagonally once
50 half circles
- 2.** From fabric 2 cut:
5 x $9\frac{3}{4}$ " x $9\frac{3}{4}$ " cut in half diagonally twice (you will have two triangles over)
2 x $5\frac{1}{8}$ " x $5\frac{1}{8}$ " cut in half diagonally once (you could use the two triangles left over, so you will need to cut them down to size. You will cut one square and not two)
- 3.** From fabric 3 cut:
3 x $6\frac{7}{8}$ " x $6\frac{7}{8}$ " cut in half diagonally once
6 half circles
- 4.** From fabric 4 cut:
3 x $6\frac{7}{8}$ " x $6\frac{7}{8}$ " cut in half diagonally once (one triangle over)
5 half circles
- 5.** From fabric 5 cut:
3 x $6\frac{7}{8}$ " x $6\frac{7}{8}$ " cut in half diagonally once

5 half circles
- 7.** From fabric 7 cut:
3 x $6\frac{7}{8}$ " x $6\frac{7}{8}$ " cut in half diagonally once
6 half circles
- 8.** From fabric 8 cut:
3 x $6\frac{7}{8}$ " x $6\frac{7}{8}$ " cut in half diagonally once (one triangle over)
5 half circles
- 9.** From fabric 9 cut:
3 x $6\frac{7}{8}$ " x $6\frac{7}{8}$ " cut in half diagonally once
6 half circles
- 10.** From fabric 10 cut:
3 x $6\frac{7}{8}$ " x $6\frac{7}{8}$ " cut in half diagonally once (one triangle over)
5 half circles
- 11.** From fabric 11 cut:
3 x $6\frac{7}{8}$ " x $6\frac{7}{8}$ " cut in half diagonally once
6 half circles

MAKING UP THE BLOCK

Start by doing your circles. Iron the trace template onto the back of the fabric

Fifty for fabric 1

Six for fabrics 3, 5, 7, 9 and 11

Five for fabric 4, 6, 8 and 10

Cut and place onto the triangle. Fold the triangle in half and the half circle in half too. Match the two folded lines and pin into place. Stitch down with a blanket stitch. Do this to all your triangles

Next match the two triangles together and sew into place

Using the main diagram as a guide again lay out all the sections of the block in ten rows of ten, stitch them together, in diagonal lines, as follows:

Top row – corner square; triangles section; corner small triangle

Next row – triangle section; 3 squares; triangle section. Keep sewing the rows, on row 5 you will start with a large but ending with a small triangle

Row 6 you will start with a small triangle and end with a large triangle

The last 4 rows are sewn the same as in rows 1, 2, 3 and 4

Press the seams for each row in opposite directions to make the finish of the completed block neater

Stitch the rows together to complete the quilt top

COMPLETION

QUILTING

Sandwich quilt top, wadding and backing together

Quilt by hand or machine as desired

Trim backing and wadding to size

BINDING

Use your favourite method from fabric 7 to bind the quilt
