## MAKING UP THE BLOCKS

Block 1

Block 3

Block 2

Block 4

This block is made up in four parts. Lay out the fabric pieces for each block. Sew the short strip of fabric to the triangle. Next sew the longer strip to this, so you will end up with a larger triangle

## Part of Block 1

Sew the two triangles together to make a square. For block 1, 2, 3 and 4 you will have four of each. 16 blocks in total

## QUILT CENTRE

Lay out all of your blocks, sashing and small squares
Sew in rows, starting with the small square and then the sashing
Next row will be sashing then block sew to the end

Press the seams for each row in opposite directions to make the finish of the completed rows neater

Stitch the rows together to complete the quilt centre
