Making up the blocks

Block 1

Block 2

Block 3

Block 4

Lay out the cut fabric pieces for block.

For block 1, 2, 3 and 4 you need to make up 4 of each. Working from the centre out.

First part of block

This will be a different when on your four blocks. So, look at the lay out for each block.

Next stitch the side pieces together and sew this to the block. Again, this will move around for each block. Now stitch the bottom strip together and sew to the block. Last add the outer strips to complete the block.

16 blocks in total.

When all your blocks are stitched lay out in rows as in the main diagram.

Top row squares and sashing, press the seams to the right. Next row sashing and blocks. This time press the seams to the left this will help when sewing your rows together. Now sew your rows together to complete the quilt top.

Quilting

Sandwich quilt top, wadding and backing together. Quilt by hand or machine as desired. Trim backing and wadding to size of the quilt.

Binding

Use your favourite method from fabric 6 to bind the quilt.
