CUTTING

From fabric 1 cut:

2x 3" x 18½" (top and bottom)

MAKING UP THE CUSHION

Stitch the inner border, sides and then the top and bottom. Sew the outer border sides and then the top and bottom to the cushion

Sandwich the top and wadding together, quilt and trim to the size of the cushion

Cushion Back

Cut

1x 9¾" x 18½"

1x 13¾" x 18½"

Make a double fold to wrong side along one long edge on each backing rectangle and stitch in place

Place cushion front right side up on work surface. Lay one backing rectangle right side down on top, aligning raw edges at bottom edge and sides

Add second backing rectangle on top right side down and aligning raw edges at top edge and sides. Pin in place. Folded edges should overlap by several inches at centre

Stitch around all four edges, clip the corners

Turn right side out and insert an 18" cushion pad
