PATTERN NOTES:

Sweater is worked flat in separate pieces and seamed together. Front and back are worked bottom up, then seamed at the shoulders. Sleeves are picked up from the body and worked top down, then sides and sleeves are seamed. Neckband is picked up and knit after construction. Carry MC up the side of work on the front and back, and carry both MC and CC2 up the side of the work on the sleeves, to reduce number of ends to weave in. Pattern is written for 8 sizes: XS (S, M, L, XL, 2XL, 3XL, 4XL).

PATTERN:
