Pattern

Start by making a slip knot and chain 218. I started with cream.

The table above shows how many you should chain and then how many rows to complete.

R1: 2 hdc in the second chain from the hook. *Sk 2 chains and put (1 sc, 2 hdc) into the 3rd ch from the hook.* Repeat *to* until the last 3 chains. Sk 2 chains and put 1 sc in the last chain. Chain 1 and turn.

R2-6: Put 2 hdc in the same space as the chain 1. *Sk 2 sts, put (1 sc, 2 hdc) into the 3rd st.* repeat * to * to the end of the row. When you have 2 sts left, sk 1 and put 1 sc in the last st. Chain 1 and turn.

R13-18: Put 2 hdc in the same space as the chain 1. *Sk 2 sts, put (1 sc, 2 hdc) into the 3rd st.* repeat * to * to the end of the row. When you have 2 sts left, sk 1 and put 1 sc in the last st. Chain 1 and turn.

Switch back to the first colour and repeat round 2-6.

Continue alternating colours and making 6 rows of each colour until you've completed a total of 108 rows.

If you want to add a border then simply follow along below.

R1: put 1 sc in each stitch along the top, work 3 sc's into each corner and then evenly work sc's into each side of the blanket.

R2: Ch 2, (counts as the first dc), put 1 dc in each st across and work 3 dc's into each corner of the blanket.

R3: Ch 1 and turn (ch 1 does not count as a st) put 1 sc into each st around, putting 3 sc's into each corner st.

R4: Ch 1 and turn, sl st into the next st, *create a modified bobble st, sl st into each of the next 2 sts* repeat *to* around. Sl st to the first st to join and fasten off.

Now weave in your ends and you're done!
