## Glossary

**bind off** To finish off an edge and keep stitches from unraveling by lifting the first stitch over the second, the second over the third, etc. (UK: cast off).

**bind off in ribbing** Maintain the rib pattern as you bind off (knit the knit stitches; purl the purl stitches) (UK: cast off in ribbing)

**cast on** Form a foundation row by making specified number of loops on the knitting needle.

**decrease** Reduce the number of stitches in a row (i.e., knit 2 together; purl 2 together).

**increase** Add to the number of stitches in a row (i.e., knit in front and back of stitch).

**knitwise** Insert the needle into the stitch as if you were going to knit it.

**make one** Insert tip of LH needle from front to back under the strand between the last stitch worked and the next stitch on the needle. Knit into the back loop to increase one stitch.

**make one purl stitch** With the needle tip, lift the strand between the last stitch worked and the next stitch on left-hand needle and purl it. One purl stitch has been added.

**no stitch** On some charts, “no stitch” is indicated with shaded spaces where stitches have been decreased or not yet made. In such cases, work the stitches of the chart, skipping over the “no stitch” spaces.

**place markers** Loop a piece of contrasting yarn or a purchased stitch marker onto the needle.

**pick up and knit/purl** Knit (or purl) into the loops along an edge.

**purlwise** Insert the needle into the stitch as if you were going to purl it.

**selvage stitch** Edge stitch that helps make seaming easier.

**skip** Skip specified number of stitches of the previous row and work into next stitch (UK: miss).

**slip, slip, knit/purl** Slip next two sts knitwise (purlwise), one at a time, to right-hand needle. Insert tip of left-hand needle into fronts of these sts from left to right and knit/purl them together to decrease one stitch.

**slip stitch** In knitting, pass a stitch from the left-hand to the right-hand needle as if to purl without working it. In crochet, insert hook through loop or edge, yarn over and pull through loop on hook (UK: ss or sc).

**work even** Continue in specified pattern without increasing or decreasing (UK: work straight).

**yarn over** In knitting, make a new stitch by placing the yarn over the right-hand needle (UK: yfwd, yon, yrn). In crochet, wind yarn around hook. (UK: yoh or yrh).

## Notes

1. Tee is worked in the round from the top down.

2. For clarity, use a different colored marker for the end of rnd (EOR) marker.

## Stitches/Techniques Used

**M1R** Insert LH needle from back to front under the strand between last st worked and next st on LH needle. K into the front loop to twist the st.

**M1L** Insert LH needle from front to back under the strand between last st worked and next st on LH needle. K into the back loop to twist the st.

## Garter Stitch (in rnds)

Rnd 2 Purl.

Rep rnds 1 and 2 for garter st in rnds.

## Ridge Pattern
