LW5321 Be Merry Knit Wreath

Cut bamboo skewers down to 5" (13 cm). Push skewer completely through yarn ball, piercing the ball with the pointed end. Repeat with the four other yarn balls.

Push the pointed end of the skewer into the wreath form to attach and secure two of the yarn balls. Set the other three yarn balls aside.

Trim

Securely attach one ornament to the end of each crochet chain.

String 4 jingle bells onto the end opposite the ornament of one crochet chain. Place one yarn ball skewer through the center of the chain and then pierce the wreath with the skewer to secure.

Secure the other two ornaments to the wreath by piercing the end of the chain opposite the ornaments with the yarn ball skewers and pushing them into the wreath.
