Project size: One triangular flag measures about 4" [10 cm] wide (at widest) x 3½" [9 cm] long.

PATTERN

Pattern Notes

1. Banner is made from triangular flags that are strung onto a long chain for hanging.
2. Each triangle is worked back and forth in rows from the lower tip up to the top edge.
3. Increases are worked at the beginning and end of every other row to create the triangular shape.
