Corner-to-Corner Crochet Throw

The corner-to-corner pattern is endlessly adaptable. Make the throw as written, or change the colors and size to suit your needs. It is one of the most popular patterns to create!

Throw measures approximately 44" [112 cm] x 56" [142 cm] (including edging).

NOTES

Change color on an increase row as

follows: Work last dc until 2 loops remain on hook, cut old color, yo with new color to complete dc, continue with new color.

Change color on a decrease row as

follows: Do not ch 6, turn, slip st in first 3 dc, insert hook in ch-3 space of same block, yo with new color, complete slip st with new color and continue with new color.

THROW **Shape First Corner**

With **A**. ch 6.

Row 1 (Right Side): Dc in 4th ch from hook and in next 2 ch; turn – 1 corner block made.

Row 2: Ch 6. dc in 4th ch from hook and in next 2 ch (beginning block made), (slip st, ch 3, 3 dc) all in ch-3 space of previous row (block made): turn – 2 blocks.

Row 3: Ch 6, dc in 4th ch from hook and in next 2 ch, [(slip st, ch 3, 3 dc) all in next ch-3 space of previous row] twice; turn - 3 blocks.

Row 4: Ch 6, dc in 4th ch from hook and in next 2 ch, [(slip st, ch 3, 3 dc) all in next ch-3 space of previous row] 3 times changing to **B** in last dc: turn – 4 blocks.

Continue in this manner, increasing 1 block at beginning of each row until there are 48 blocks across. AT SAME TIME, work Stripe pattern as follows: 6 rows **B**, 6 rows **C**, 6 rows D, 2 rows A. Repeat these 20 rows throughout for stripe pattern.

Shape Second Corner

Note: Mark beginning edge as width of piece. You will be decreasing 1 block at beginning of one row and increasing 1 block at beginning of next row to maintain the same number of blocks across. Follow Notes for changing colors.

Decrease Row 1: Slip st across first 3 dc to ch-3 space of second block of previous row, [(slip st, ch 3, 3 dc) all in next ch-3 space of previous row] to end of row; turn - 48 blocks.

Increase Row 2: Ch 6. dc in 4th ch from hook and in next 2 ch, [(slip st, ch 3, 3 dc) all in next ch-3 space of previous row] to last block, slip st in ch-3 space of last block; turn - 48 blocks.

Keeping in Stripe pattern, repeat last 2 rows until piece measures 11" (28 cm) along marked edge and 55" [140 cm] along unmarked edge.

Shape Third Corner

Decrease Row 2: Slip st across first 3 dc to ch-3 space of first block of previous row, [(slip st, ch 3, 3 dc) all in next ch-3 space of previous row] to last block, slip st in ch-3 space of last block; turn.

Continued...

Please Note: Print this pattern using Landscape Orientation.

Keeping in Stripe pattern, repeat Decrease Row 2 every row, decreasing 1 block on each at beginning of every row until 1 block remains on last row for last corner. Fasten off.

FINISHING

Edging Round: With right side facing, join **A** in any ch-3 space, ch 3, 4 dc in same space, *[sc in center dc of next block, 5 dc in next ch-3 space] to corner; work 6 dc in corner space; repeat from * around to beginning edge, [sc in center dc of next block, 5 dc in next ch-3 space] to first st, join with a slip st in top of beginning ch-3. Fasten off. Weave in ends.

Abbreviations

A, B, C = Color A, B, C; ch = chain; cm = centimeters; dc = double crochet; mm = millimeters; sc = single crochet; st(s) = stitch(es); yo = yarn over; [] = work directions in brackets the number of times specified; * or ** = repeat whatever follows the * or ** as indicated.
