Day of the Dead Pillow

This colorful pillow was inspired by the sugar skull tradition that is a part of the Mexican holiday Dia de los Muertos. Crochet it in bright shades to honor the departed or just to add a festive feeling to your décor.

Pillow measures about 13" (33 cm) wide and 15" (38 cm) tall.

Special Stitches

dc2tog (double crochet 2 stitches together) = [Yarn over, insert hook in next stitch, yarn over and pull up loop, yarn over, draw through 2 loops] 2 times, yarn over, draw through all 3 loops on hook.

hdc2tog (half double crochet 2 stitches together) = [Yarn over, insert hook in next stitch, yarn over and pull up loop] 2 times, yarn over and draw through all 5 loops on hook.

sc-inc (single crochet increase) = Work 2 sc in indicated stitch.

spike = Insert hook in indicated stitch in indicated row, yarn over and draw up a loop to level of current row, yarn over and draw through both loops on hook.

Note: Take care to draw the loop up to level of the current row so that the fabric is not constricted when the spike stitch is completed.

Special Technique

Adjustable-ring = Wrap yarn into a ring, ensuring that the tail falls behind the working yarn. Pinch ring and tail between middle finger and thumb. Insert hook through center of ring, yarn over (with working yarn) and draw up a loop. Work stitches of first round in the ring. After the first round of stitches is worked, pull gently on tail to tighten ring.

Notes

1. The main section of the skull is worked in continuous rounds (spiral) with right side always facing. The jaw is then worked back and forth in rows over only a portion of the skull stitches.
2. Flowers, nose, zig-zag lines, and teeth are worked separately and sewn to skull.
3. Use of quilt batting is optional. It is used to line the inside of the pillow and helps smooth out any lumps created when stuffing pillow.

SKULL (make 2)

With **A**, make an adjustable ring.

Round 1 (right side): Ch 1, 6 sc in ring; do not join with slip st, work in continuous rounds (spiral)—6 sc. Place the different colored stitch marker in last sc made for end of round and move marker up as each round is completed. Pull gently on tail to tighten ring.

Round 2: Work 2 sc in each st around—12 sc.

Round 3: [Sc in next st, 2 sc in next st] 6 times—18 sc.

Round 4: [Sc in next 2 sts, 2 sc in next st] 6 times—24 sc.

Round 5: [Sc in next st, 2 sc in next st, sc in next 2 sts] 6 times—30 sc.
