Easy Cables & Texture Throw

If you're looking to add a color accent while still keeping your relaxing spot calm and peaceful, choose this one color throw. You'll enjoy getting into the rhythm of the alternating cables and seed stitches as you knit this beauty.

Throw measures about 50 x 54" [127 x 137 cm].

Notes

1. Throw is worked in a Cable and Seed stitch pattern of 5-stitch Seed stitch sections alternated with 8-stitch Cable pattern sections.
2. If desired, markers can be placed to separate the Seed stitch and Cable pattern sections.
3. Circular needle is used to accommodate large number of stitches. Work back and forth on circular needle as if working with straight needles.
4. Throw can be worked by following the written instructions or reading the chart. Read right side rows from right to left and wrong side rows from left to right.
