Glamorous Mom Wreath

Create a lasting symbol of your love and give Mom a wreath with knit flowers (rather than giving flowers that will only be around a few days). This modern wreath is fashioned with metallic yarn and curly decorations for your glamorous Mom!

Wreath measures: 12" x 12" [30 cm x 30 cm]

Additional Materials

Hot glue gun and glue sticks or tacky glue,
yarn needle, 12" (30.5 cm) Styrofoam® wreath
form, rustproof straight pins

Special Abbreviation

Kfb = Knit in front and back loops of the
same st.

NOTES

For ease in wrapping wreath, wind a 5" [12.8
cm] ball in **B** and wind **A** into a ball.

WREATH

With **B**, tie a knot around the wreath where
the Styrofoam® joins to prevent a bump. Wrap
the yarn around the wreath making sure there
are no gaps creating a solid covering. Every
few wraps tighten and twist the yarn with your
hand on the wreath. Continue in this manner
until the entire wreath is covered.

With **A**, wrap Styrofoam® wreath completely
covering; use straight pins to keep wraps and
ends in place as needed.

FINISHING

Using one **B** and one **C** large flower, place strips together with wrong sides facing, right sides are facing out. Treat **B** and **C** as one flower.

With cast on row serving as the base of the flower, weave tail of yarn through both cast on rows rolling into a rosebud shape; **B** will be the inner flower, **C** the outer flower. Pull tightly and sew securely.

Weave and roll the other large flowers in the same manner; right sides facing out, then mold with your fingers for rosebud or shape desired. Roll small flowers without weaving and sew securely.

Arrange large and small flowers along top and bottom center of wreath as desired. Place Curly Deco's underneath large flowers. Pin flowers for placement before gluing in place.

HANGER

Cut 20" [50.8 cm] of **A**. Place around the top of the wreath; fold in half and tie in a secure knot.

ABBREVIATIONS

A, B, C, D = Colors A, B, C, D; **RS** = Right Side; **st(s)** = stitch(es); **St st** = Stockinette stitch.
