Halloween Jar Cozies

These friendly faces will add a festive note to your Halloween décor. Fill them with sweet treats, liquid spirits or utensils on your party buffet table.

Cozies measure 9" (23 cm) around and 4" (10 cm) in height, and will stretch slightly to fit around a 16 oz (545 g), wide mouth mason jar.

Special Stitch

Sc2tog = [draw up a loop in next sc] twice, yarn over and draw through all 3 loops on hook.

Special Technique

Adjustable-ring method = Wrap yarn in a ring, ensuring that the tail falls behind the working yarn. Grip ring and tail firmly between middle finger and thumb. Insert hook through center of ring, yarn over (with working yarn) and draw up a loop. Work stitches of first round in the ring. Pull gently, but firmly, on tail to tighten ring after a couple of rounds have been completed.

NOTES

1. Jar cozy is worked in un-joined rounds. Hat is worked in joined rounds, except for the Ribbed Band, which is worked back and forth in rows.
2. Test for fit periodically by inserting jar into cozy. You may alter the number of stitches per round if necessary.
3. Basic jar cozy pattern is used for all 3 designs. Customize each cozy using the various facial details and accessories. Facial styles include a friendly pirate, smiling skeleton and traditional jack-o-lantern. Techniques for each face are found under their specific heading.
4. To change color, work last stitch of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete stitch. Proceed with new color.
