2. Head and bottom section are worked in rounds to Stockinette stitch (knit every round). The mid-section, which resembles a cardigan sweater, is worked back and forth in rows of Seed stitch.
3. When working in rounds you can work with double pointed needles, with a single circular needle using the magic loop technique, or with two circular needles, whichever you prefer.
4. Arms are worked separately and sewn to snowman.
5. Snowman is stuffed using a knee-high stocking to maintain the roundness of the snowman sections.

Hold yarn wraps tightly in fist with 12" (30.5 cm) tie dangling from bottom of fist and the looped wraps extending over top of closed fist. Using sharp craft scissors, carefully trim loops to form pom-pom. Grasp pom-pom by 12" (30.5 cm) tie and shake to fluff out. Make another pom-pom identical to the first. With the 12" (30.5 cm) ties, tie the two pom-poms together. Leaving ends of ties free, apply a moderate amount of craft glue to knot and let dry. With ties and yarn needle attach pom-pom to hat.

MINI SKEIN OF YARN

Cut two 12" (30.5 cm) lengths of any color yarn and set aside. Hold four fingers extended and slightly spread. Wrap yarn color of your choice around fingers 50 times. While wraps are still on fingers, slip one of the 12" (30.5 cm) length under the wraps and slip the wraps off your fingers. Knot 12" (30.5 cm) length tightly around wraps. Hold wraps by tie and smooth out yarn so that it hangs straight. Slip second tie through opposite end of wraps and knot around wraps tightly. Apply a moderate amount of craft glue to knots and let dry. Weave ends through skein and trim. Set aside.

Label

Make a copy of the mini Red Heart label. If needed, reduce image size to fit mini skein. Then print image on color printer. To reinforce label use clear cellophane tape placed carefully over image or image can be laminated. Trim label width and length to fit skein, wrap around middle of skein and tape securely.

FINISHING

Note: Whenever possible, use yarn tails still attached to pieces to sew the pieces in place. Using photograph as a guide, sew arms to shoulders of snowman near beginning of cardigan sweater. Sew hat to head. Sew nose to lower portion of head. With sewing needle and black thread, sew eyes above nose, and sew four black buttons evenly spaced down the button band of the cardigan sweater.

Snowman's Knitting Needles: With craft scissors, cut the bamboo skewers to desired length (about 8" (20.5 cm) long). Glue a bead on the cut end of each skewer for knitting needle tops.

Place one snowman's knitting needle in palm of each hand. Sew each hand closed around the needle. Place small amount of glue where hand grips the hook for extra security.

Tie scarf around neck, so that bind-off edge is facing the snowman's knitting needles. Tack scarf in place using matching yarn, as desired. Insert the tip of each needle into about one half of the stitches on the bind-off edge to look as though snowman is in the middle of knitting a row. Glue the stitches to the needles using craft glue. Tie the long tail of bind-off edge to one end of the mini skein and weave loose end into the skein.

Weave in any remaining ends.

ABBREVIATIONS

A, B, C, D, and **E** = Color A, Color B, Color C, Color D, and Color E; **k** = knit; **k2tog** = knit next 2 sts together; **p** = purl; **st(s)** = stitch(es); **[]** = work directions in brackets the number of times specified; ***** = repeat whatever follows the * as indicated.
