Directions are for size Small. Changes for size Large are in parentheses.

Hat stretches to fit 22" (24") [56 (61) cm] head circumference.

Notes

When instructed to work into a stitch "2 rows below", work into the row numbered 2 less than the current row. For example, if you are working Row 4, a stitch "2 rows below" is in Row 4 - 2 = Row 2.

Special Stitches

hdc2tog = [Yarn over, insert hook in next stitch, yarn over and pull up loop] 2 times, yarn over and draw through all 5 loops on hook.

fpdc (front post double crochet) = Yarn over, insert hook from front side of work to back and to front again around post of indicated stitch; yarn over and pull up a loop (3 loops on hook), yarn over and draw through 2 loops (2 loops on hook), yarn over and draw through 2 loops (1 loop on hook).

spike sc (spike single crochet) = Sc in indicated stitch 2 rows below.

Special Technique

Adjustable-ring method = Wrap yarn into a ring, ensuring that the tail falls behind the working yarn. Grip ring and tail firmly between middle finger and thumb. Insert hook through center of ring, yarn over (with working yarn) and draw up a loop. Work stitches of first round in ring, working over both strands (the tail and the ring). After the first round of stitches is worked, pull gently, but firmly, on tail to tighten ring.

HAT

Make an adjustable ring.

Round 1: Ch 1, 10 hdc in ring; join with slip st in first hdc—10 hdc. Pull gently on beginning tail to tighten ring.

Round 2: Ch 1, hdc in first st, fpdc around same st, [hdc in next st, fpdc around same st] around; join with slip st in first hdc—10 hdc and 10 fpdc.
