Mitered Square Throw and Pillow

This gorgeous Boutique shaded yarn is combined with a solid shade of plain yarn that blend beautifully. This mitered knit design is the perfect choice for shaded yarn and will create a throw and pillow that you'll love living with!

GAUGE

Throw: 14 sts = 4" (10 cm); 26 rows = 4" (10 cm) in Garter Stitch using **A** and 15 sts = 4" (10 cm); 22 rows = 4" [10 cm] in Mitered pattern using **B**.

Pillow: 14 sts = 4" (10 cm); 20 rows = 4" (10 cm) in Mitered pattern using **B**. **CHECK YOUR GAUGE. Use any size needle to obtain the gauge.**

Throw measures: 45" (114 cm) x 60" (152 cm)

NOTE

Throw and Pillow are worked back and forth in rows on circular needles, do not join.

TIPS & HINTS

Join a new ball of yarn when there are approximately 6" (15 cm) of yarn left from the old ball, also leaving a 6" (15 cm) tail of yarn with the joined yarn. Weave these ends in neatly on the wrong side of the fabric in a zigzag pattern for a few inches, and then trim off excess.

Special Stitches

K2tog/P2tog = Knit 2 stitches together/purl 2 stitches together. To knit/purl 2 stitches together, insert the right needle into two stitches at the same time and knit or purl. This will result in a decrease of one stitch. This decrease will slant to the right.

PSSO = Pass slipped stitch over.

SSK = Slip next 2 sts, one at a time, to right needle; insert point of left needle into the fronts of these 2 sts and knit them together from this position – dec made. **Sl 1** = Slip 1. To slip one stitch, insert the right needle into the next stitch on the left needle as if you were knitting the stitch. Pull this stitch off the left needle. The stitch is now on the right needle and twisted.

THROW

With RS facing and **A**, pick up and knit 39 sts along the top of first square starting where you just bound off to top left corner. Then cast on 40 sts —79 sts.

Make Square #2. Repeat picking up/casting on sts to make each square until you have 5 squares in a row complete. Panel #1 is complete.

With yarn **A**, cast on 39 sts and pick up 40 sts along first square's right edge. Knit first row. Work mitered squares in same pattern as above. You will continue picking up stitches along the top of each square and the side of the first column until you have completed Panel #2 of the Throw. You now have 2 columns of 5 squares. Continue in this fashion until you have 4 columns of 5 squares.
