Gauge: in St st: 22 sts and 30 rnds = 4 x 4 in/10 x 10 cm.

Instructions: Cast on 48 sts and divide sts evenly over 4 needles (12 sts per needle) and join to work in rounds, taking care not to twist sts. Work 3 rnds in St st, 7 rnds in border pat. For the leg, work 50 rnds in textured pat = 5½ in/14 cm above border.

Note: The leg length can be changed as desired, but the heel should begin after a rnd 2 of the textured pattern has been worked.

For the heel, work 4 rnds in St st over the 24 sts on needles 1 and 4, and continue textured pat over the 24 sts on needles 2 and 3.

After leg measures 7 in/18 cm from cast-on, work the **Boomerang heel** following the ["Sock Techniques"](#).

Here, after the first half of heel, work 2 rnds over all sts of all needles, working sts on needles 1 and 4 in St st, on needles 2 and 3 (top of foot) in textured pat. Continue to work the foot in this way after the end of the heel.

When the foot length measures 8 in/20 cm, follow the "[Sock Techniques](#)" for the toe decreases, working the sts in St st.
The total foot length measures 10 in/25 cm.
Work both socks in the same way.
