Making Up. Block the Ponshawl. Using the 3.25mm crochet hook, crochet three 3 cm (1 ¼ in) chains . Fold Ponshawl in half lengthways so that the cast on and cast off edges meet. Measure 50[52:54] cm (19 ¾[20 ½:21 ¼] in) along one edge from the fold. This is the position of the first button and button loop. Sew one of the crochet chains to the far edge of the Ponshawl, and the button to the nearer edge. The next button and button loop are positioned 2 cm (¾ in) from the first button/button loop, closer to the cast on/cast off edge. Sew in place. The final button and button loop are positioned 2 cm (¾ in) from the second button/button loop, closer to the cast on/cast off edge. Sew in place. Weave in ends.
