# OUT OF THE *Woods*

‘Out Of The Woods’ is a collection of designs which combines the solid & natural shades of the Illustrious colour palette; inspired by a nostalgic craving for those intuitive outdoor explorations into nature.

# ILLUSTRIOUS

70% FALKLAND WOOL 30% BRITISH ALPACA

Illustrious is a blend of pure, unadulterated Falkland Islands wool with the finest British Alpaca. Falkland wool is the perfect companion to the UK reared Alpaca. The increased length of the fibre envelopes or wraps round the Alpaca, preventing an abundance of surface fibre and hairiness.

The colours in this range were selected to inspire and excite. We invested our time ensuring that the shades not only worked well individually but also in harmony with each other. Finally, we used our technology to create subtle, variegated combinations which complete this stunning collection.

## GENERAL INFO

### TENSION

It is essential to work to the stated tension in order to achieve the desired fabric and garment size, you should always start by knitting a tension square before knitting the full garment.

If you have fewer stitches than stated you will need to go down needle sizes until the correct tension is achieved and if you have more you will need to go up needle sizes. Please check individual patterns for tension before starting the garment.

### WORKING FROM A CHART

When working from a chart you will read all right side rows from right to left and wrong side rows from left to right.

### FINISHING

We recommend using mattress stitch for seaming your garment. When sewing in a raglan sleeve you will match row for row. When sewing in a semi set in sleeve you need to pin the sleeve in position matching the centre of the sleeve cast off to the shoulder of the body, you will then ease the sleeve into the armhole.

Once your garment is completed it is essential to block your knitting. Pin your garment out to the size stated in the pattern. Cover with damp cloths and leave until dry.
