Knit and Crochet Hats with Flowers in DK & 4ply

Free Pattern

“I’ve had such a fabulous time working with West Yorkshire Spinners. It has been so wonderful picking up the needles and working out how to make the lovely flowers for these hats.

I think there’s nothing like a fun hat ... you can wear a quite boring outfit and brighten it up with a very good, fun hat”

Knit and Crochet Hats with Flowers in DK & 4ply

Tension

It is essential to work to the stated tension in order to achieve the desired fabric and garment size. You should always start by knitting/crocheting a tension square before creating the full garment.

If you have fewer stitches than stated you will need to go down needle/hook sizes until the correct tension is achieved. If you have more, you will need to go up needle/hook sizes. Please check individual patterns for tension before starting the garment.

Finishing

We recommend using mattress stitch for seaming your hat.

Once your hat is completed it is essential to block your work. Pin your hat out to the size stated in the pattern. Cover with a damp cloth and leave to dry.
