### IMPORTANT

Please note that the limitations of the printing process mean that the actual colour will not always precisely match the colours in the photograph.

Use only the Yarnsmiths yarn specified. We cannot accept responsibility for an imperfect garment if any other brand is used. It is essential to work to the tension stated. The quantities of yarn stated are based on average requirements and are therefore approximate.

### ABBREVIATIONS

**K** - Knit; **P** - Purl; **sts** - stitches; **st st** - stocking stitch (1 row knit, 1 row purl); **tog** - together; **beg** - beginning; **rept** - repeat; **inc** - increase; **dec** - decrease; **sl** - slip; **sl 1** - slip one; **pssso** - pass slipped stitch over; **patt** - pattern; **M** - main; **A** - 1st contrast; **B** - 2nd contrast; **cm** - centimetres; **ins** - inches; **MDS** - Make Double Stitch.

### TENSION

It is important to check your tension before commencing the garment. 14 sts and 20 rows to 10cm,

4ins over st st on 6.5mm needles. If there are too many stitches to 10cm, then your tension is tight and you will need to change your needle to a larger size. If there are too few stitches to 10cm, then your tension is loose and you will need to change your needle to a smaller size.

Note:- Strand yarn loosely across back of work over no more than 4 stitches keeping fabric elastic.
