IMPORTANT

Please note that the limitations of the printing process mean that the actual colour will not always precisely match the colours in the photograph.

Use only the Yarnsmiths yarn specified. We cannot accept responsibility for an imperfect garment if any other brand is used. It is essential to work to the tension stated. The quantities of yarn stated are based on average requirements and are therefore approximate.

ABBREVIATIONS

K - knit; **P** - purl; **st(s)** - stitch(es); **psso** - pass slipped stitch over; **st** - stocking stitch (one row knit, one row purl); **rept** - repeat; **Kfb** - knit into front and back of next st; **sl** - slip; **M1** - make one stitch by picking up the loop between stitches and knitting into the back of this loop; **yfwd** - yarn forward; **tog** - together; **cm** - centimetres; **ins** - inches;

TENSION

It is important to check your tension before commencing the garment. Tension 24 sts and 32 rows to 10cm 4ins over st st on 4mm needles. If there are too many stitches to 10cm, then your tension is tight and you will need to change your needle to a larger size. If there are too few stitches to 10cm,

then your tension is loose and you will need to change your needle to a smaller size.
