Instructions given for smallest size, larger sizes given in brackets. Where only one figure is given this applies to all sizes.

Please note that the limitations of the printing process mean the actual colour will not always precisely match the colours in the photograph.

### IMPORTANT

Use only the Yarnsmiths yarn specified. We cannot accept responsibility for an imperfect garment if any other brand is used. It is essential to work to the tension stated. The quantities of yarn stated are based on average requirements and are therefore approximate.

### TENSION

It is important to check your tension before commencing the project.  
5dc and 3.5 rows = 4" (10cm)
