Instructions given for smallest size, larger sizes given in brackets. Where only one figure is given this applies to all sizes. Please note that the limitations of the printing process mean the actual colour will not always precisely match the colours in the photograph.

### IMPORTANT

Use only the Yarnsmiths yarn specified. We cannot accept responsibility for an imperfect garment if any other brand is used. It is essential to work to the tension stated. The quantities of yarn stated are based on average requirements and are therefore approximate.

Instructions given for 51 cm (20 inch) Chest, larger sizes given in brackets. Where only one figure is

given this applies to all sizes.

### TENSION

It is important to check your tension before commencing the garment. 22 sts and 28 rows to 10 cm (4 ins) over st st on 4mm needles. If there are too many stitches to 10cm, then your tension is tight and you will need to change your needle to a larger size. If there are too few stitches to 10 cm, then your tension is loose and you will need to change your needle to a smaller size.

### Special note

Smaller 3 sizes have two vertical bands of pattern on fronts, whilst larger 3 sizes have three vertical bands of pattern.
