Fairytale  
— Cardigan —

DESIGNED BY SARAH HATTON

# General Information

It is essential to work to the stated tension to ensure success and you should always start by knitting a tension square before knitting the full garment.

If you have too many stitches to stated tension, your tension is too tight and you should change to a larger needle. If there are too few stitches, your tension is too loose and you should change to a smaller needle. Please check individual patterns for tension before starting the garment.

Instructions given are for the 1st size, with larger sizes in brackets. Where only one figure or instruction is given, this applies to all sizes. Work all directions inside brackets to the number of times stated.
